2. Funding

- 2.1 The Funding will be provided during the Term in accordance with the provisions of this Contract. The Institutions shall use the Funding in accordance with this Contract.

- 2.2 The Institutions shall use the Funds for the Research only and not for any other purpose.
- 2.3 Each Investigator shall use his/her best endeavours to faithfully and diligently carry out or cause to be carried out all necessary research and development work and to devote all necessary time, resources and support to ensure the successful conduct, implementation and completion of the Research in accordance with this Contract and consistent with internationally recognised good research practices and ethical standards. Each Institution shall ensure that the Research Personnel within their employ undertake and properly discharge the foregoing obligations.
- 2.4 Other than expressly allowed under the Contract, the Funds or any part thereof shall not be channelled to fund research and development activities overseas.
- 2.5 The Institutions shall not solicit or receive any funds or such other means of support for carrying out the Research from any other person, company, body, organisation, institution or agency (governmental or non-governmental) without SMI's prior written consent, such consent not to be unreasonably withheld.

3. Accuracy of Information

The Institutions warrant that the information contained in the Application, all reports referred to in this Contract and any other information submitted to SMI relating to the Research or the Funding are complete, accurate and not misleading. Without limiting the generality of the foregoing, the following are examples of incomplete, inaccurate and/or misleading information:

- (a) false or improper reports of financial accounts;
- (b) improper claims;
- (c) false or improper documents;
- (d) fictitious track records;
- (e) inflated reports of funds obtained from other sources for the Research;
- (f) omission of information on other funding sources for the Research;
- (g) false or inaccurate claims that proper approvals (including IRB approvals) have been obtained;
- (h) false or inaccurate reports on the progress of the Research and achievement of Milestones and Deliverables;
- (i) false or inaccurate reports on the status of collaborations with third parties relating to the Research; and
- (j) false claims in the publication record, such as, describing a paper as being published even though it has only been submitted for publication.

4. Administration of the Funding

- 4.1 The Institutions shall ensure that the Research is carried out with due care, diligence and skill and that the Funds are used in accordance with this Contract.
- 4.2 The Host Institution shall be responsible for administering and co-ordinating all matters relating to the Research, use of the Funds, communications with SMI, and reporting requirements for and on behalf of all the Institutions. For this purpose, the Host

Institution shall be represented by its chief executive officer or equivalent office holder and establish an Office of Research to facilitate such responsibilities. Where its chief executive officer is also the Lead Principal Investigator, the Host Institution shall appoint another person from the governing body to which the chief executive officer reports to represent the Host Institution. Notwithstanding the foregoing, SMI reserves the right to communicate directly with any Institution or Investigator on matters relating to this Contract.

4.3 The Host Institution shall be responsible for: -

- (a) ensuring that all Institutions and Research Personnel are aware of their respective responsibilities and that they comply with the terms and conditions of this Contract;
- (b) providing and/or procuring the basic facilities needed to carry out the Research as detailed in the Approved Proposal;
- (c) ensuring that the Investigators adopt the highest achievable standards, exhibit impeccable integrity and follow all prevailing guidelines on good research practices in Singapore (or internationally established guidelines, where applicable) in the conduct of the Research;
- (d) monitoring the scientific progress of the Research towards achievement of the Milestones and Deliverables and reporting to SMI any deviations or anticipated problems which may materially affect the Research;
- (e) ensuring, where applicable, that local IRB, research ethics committee and multi-centre research ethics committee approvals are granted for the Research and that no research requiring such approval is initiated before it has been granted;
- (f) ensuring, where applicable, that the Institutions put in place proper procedures and guidelines to ensure regular and effective monitoring of the Research by the IRB or ethics committee;
- (g) ensuring, where applicable, that all ethics approvals for the conduct of studies using animals are granted including approvals of the relevant institutional animal care and use committee or such other body appointed to deal with ethical issues relating to the care and use of animals in research;
- (h) ensuring, where applicable, that all necessary regulatory licences or approvals for the Research have been granted prior to the commencement of any work under the Research;
- (i) ensuring, where applicable, that any clinical trials (as defined under the Medicines Act) conducted as part of the Research are conducted in accordance with the Singapore Guideline for Good Clinical Practice as amended from time to time or such other applicable guidelines;
- (j) ensuring that the work under the Research complies with all relevant current laws, government rules and regulations and other applicable guidelines and procedures including those introduced while the work is in progress;

- (k) ensuring that all Research Personnel involved in animal research and in the breeding, housing and care of animals, are properly trained and supervised;
 - (l) ensuring that SMI is immediately notified in writing of any development that will adversely affect the progress of the Research;
 - (m) ensuring that SMI is immediately notified in writing upon cessation by any Investigator of active involvement in the Research or long leave of absence (e.g. sabbatical); and
 - (n) ensuring that SMI is immediately notified in writing if any work carried out using the Funding diverges materially from the Approved Proposal.
- 4.4 Each Institution shall be responsible for maintaining or procuring that its Research Personnel maintain appropriate professional indemnity insurance coverage. For the avoidance of doubt, SMI will not be responsible for the costs of such cover.
- 4.5 Each Institution must have in place adequate systems for ensuring the integrity of research carried out by its staff so that scientific misconduct (e.g. plagiarism, falsification of data, improper selection of data) and unethical behaviour can be prevented. Each Institution shall implement effective mechanisms for identifying scientific misconduct and/ or unethical behaviour and have in place clearly publicised and agreed procedures for investigating allegations of such scientific misconduct and/ or unethical behaviour. The Institutions shall report to SMI all incidents or allegations of such scientific misconduct or unethical behaviour at the earliest opportunity.
- 4.6 Without prejudice to the Host Institution's obligations under this Contract, the Institutions and Investigators shall do all things necessary to enable compliance by the Host Institution of its obligations under this Contract.
- 4.7 The Host Institution shall manage the use of the Funding for indirect cost in accordance with the Guidelines. Investigators should refer to their Host Institution for their policy of managing such use. SMI does not directly manage indirect cost funding.

5. Commencement of Research

The Principal Investigator shall inform SMI if scientific work on the Research is unable to commence within three (3) months from the beginning of the Term.

6. Research Personnel

- 6.1 The Institutions shall ensure that the Research Personnel conduct the Research with due care, diligence and skill and comply with this Contract.
- 6.2 The Host Institution shall ensure each Institution and Investigator submit the Acceptance Form together with all other required documents to SMI (either electronically or in hardcopy) within the time stipulated.
- 6.3 If any Investigator is unable to continue the Research, the Institution engaging such Investigator shall, subject to the written approval of SMI, appoint a successor within a

reasonable time. In seeking approval, the Institution must satisfy SMI that the proposed successor has the requisite qualifications and skills to continue the Research. In the event that the Institution is unable to appoint a successor acceptable to SMI within a reasonable time, SMI shall have the right to terminate the Funding and/or the Contract.

7. Milestones and Deliverables

The Institutions and the Investigators shall use their best efforts to achieve the Milestones and Deliverables.

8. Disbursement of Funds

8.1 Disbursement of the Funds shall be made in accordance with the following provisions: -

- (a) Each Institution shall submit requisitions for direct and/or indirect costs for which the Funding is permitted to be used to SMI for approval on a half-yearly basis ("Half-yearly Requisition").
- (b) Each Institution shall include, with its Half-yearly Requisition, detailed schedules of expenditure incurred for the previous half-year which are certified correct by its chief financial officer (or an authorised nominee) together with such further or other documents or information as may be required by SMI in support of such requisitions.
- (c) SMI will disburse the approved Half-yearly Requisition amounts to the Host Institution. Partner Institutions shall issue a requisition to the Host Institution, and the Host Institution shall be responsible for collation of the requisitions and disbursement of funds to the Partner Institutions.
- (d) Disbursement of the Funding shall be subject to the due performance of and compliance with this Contract by Institutions including, but not limited to, the securing of the relevant ethics approvals (eg. IRB) for the Research. The Institutions shall furnish satisfactory documentary evidence to SMI that aforementioned requirement has been met.

9. Accounts, Audits and Monitoring

9.1 Each Institution shall keep and maintain full and detailed records and accounts relating to the Funding and the Research, including all items of expenditure incurred for or in connection with the Research.

9.2 The Host Institution shall be wholly responsible for monitoring the expenditure of the Funding by the Institutions, ensuring that the Funding is utilized in accordance with this Contract and certifying in the Yearly Progress Report the amount of Funding actually utilised and that the progress of the Research is satisfactory. In the event that the Funding is not utilised in accordance with this Contract, the Host Institution shall immediately inform SMI and provide full details of the same, and take all action necessary to minimize further use of the Funding and inform SMI of the action taken.

- 9.3 SMI is entitled from time to time, through its Audit Agents, to conduct ad-hoc on-site audits to ensure that the terms of this Contract are being, or were met and that all reports and statements submitted to SMI by the Institutions pursuant to the terms of this Contract are accurate, correct and not misleading.
- 9.4 Each of the Institutions shall afford, or otherwise procure that its Research Personnel afford, SMI's Audit Agents with all assistance and co-operation necessary for the Audit Agents to fully perform their audit functions and shall in no event prevent, hinder, obstruct the Audit Agents in the performance of the audit.
- 9.5 SMI and each of the Institutions shall bear their own respective costs and expenses incurred in respect of the conduct of the audit unless the audit identifies a material breach or default of this Contract by any of the Institutions, in which case the relevant Institution shall reimburse SMI for all of SMI's reasonable costs incurred in connection with the audit.

10. Return of Unused Funds and Final Statement of Account

Each Institution shall return all unused funds and submit a final statement of account ("Final Statement of Account") to SMI within six (6) months of the completion or termination of the Research, or termination of this Contract, or the end of the Term, whichever is the earliest, failing which SMI may refuse to make further disbursements of the Funding and/ or disallow further claims from such Institution.

11. Access to Premises and Records

- 11.1 Pursuant to Clauses 9.3 and 9.4, the Institutions shall, at all reasonable times during the Term and for seven (7) years after the expiration or termination of this Contract, grant SMI and its authorized representatives: -
- (a) unhindered access to: -
- (i) the Research Personnel;
 - (ii) premises occupied by the Institutions;
 - (iii) the Assets and Materials;
 - (iv) all accounts, records and documents in relation to the Research and Funding and its administration; and
- (b) reasonable assistance to:
- (i) inspect the performance of the Research;
 - (ii) locate and inspect any accounts, records and documents in relation to the Research and Funding and its administration;
 - (iii) locate and inspect the Assets and Material;

- (iv) make copies of any accounts, records and documents in relation to the Research and Funding and its administration and remove those copies; and
- (v) make copies of Materials (where applicable) and remove those copies.

11.2 The access rights in Clause 11.1 are subject to: -

- (a) the provision of reasonable prior notice by SMI; and
- (b) the applicable Institution's reasonable security procedures.

11.3 In the event that SMI is investigating a matter which, in its opinion, may involve an actual or suspected unethical conduct, or breach of the law or breach of the terms of this Contract, Clause 11.2 (a) will not apply.

11.4 Upon receipt of reasonable written notice from SMI, the Institutions and Investigators shall provide any information relating to the Research required by SMI for monitoring and evaluation purposes.

12. Reporting Requirements

12.1 Each of the Institutions shall submit the reports and statements set out in this Clause 12 in accordance with the format required by SMI. Notwithstanding Clauses 12.2 to 12.8, SMI may vary any of the reporting requirements of the Institutions as stated in the Letter of Award. This includes but is not limited to requiring the Institutions to provide reports and statements within different deadlines or at more regular intervals or in any other particular format. The provisions of this Clause 12 shall apply mutatis mutandis to such reporting requirements.

12.2 Time is of the essence with respect to the obligations set out in this Clause 12. In the event that an Institution fails to fulfil any requirement set out in this Clause 12 within the stipulated timeline or to demonstrate satisfactory progress in the Research, SMI may discontinue further disbursements of the Funding.

Yearly Audit Report

12.3 Each Institution shall submit, on an annual basis no later than 30 September of each year, an audit report ("Yearly Audit Report") containing all relevant financial information on the Research for the preceding year ending 31 March, including but not limited to:

- (a) its use of Funds disbursed by SMI;
- (b) any unspent Funds that such Institution is required to return to SMI;
- (c) any unspent Funds that such Institution is carrying over into the next year.

12.4 The Yearly Audit Report must be prepared by each Institution's internal or external auditors and certified as correct by its director of research and chief financial officer (or their authorised nominees). In particular, each Institution shall confirm and state in the

Yearly Audit Report that such Institution's requisitions for the Funding are made in accordance with the terms of this Contract.

Yearly Progress Report

- 12.5 The Host Institution shall submit to SMI progress reports prepared by the Investigators in respect of the scientific progress and results of Research ("Yearly Progress Reports"). The first report shall fall due on the date as set out in the Letter of Award or on such earlier date as reasonably required by SMI and notified to the Host Institution in writing. Subsequent reports shall fall due on the anniversaries of the due date of the first report. If any Yearly Progress Report is not provided within the stipulated deadline, SMI reserves the right to refuse to make further disbursements of Funds and/or disallow further claims from the Host Institution. In the event that the delay exceeds two (2) months from the stipulated deadline, the Funding may be terminated.
- 12.6 SMI will review the Yearly Progress Report against the objectives of the Research as stated in this Contract. The Host Institution will be contacted for further information if the Yearly Progress Report is deemed inadequate or unsatisfactory.

Final Progress Report

- 12.7 The Host Institution shall submit to SMI a final progress report ("Final Progress Report") within three (3) months from the end of the Term. The Final Progress Report shall contain, among other things, a complete list of the Assets. SMI will review the outcomes against the objective(s) of the Research as stated in this Contract.
- 12.8 If the Host Institution fails to submit the Final Progress Report in accordance with Clause 12.7, the Investigators will not be eligible to submit new grant applications for a minimum of one (1) year from the Final Progress Report submission deadline. The period of ineligibility will continue until the Final Progress Report is submitted to SMI.

13. Changes in Research

No material amendments, alterations or changes shall be made to the Research without SMI's prior written approval. Save as aforesaid, the Host Institution shall notify SMI in writing of all other amendments, alterations or changes made to the Research as soon as possible. For the purposes of this Clause, "material amendments, alterations or changes" shall mean those amendments, alterations or changes that have a material effect on the scope, nature, direction or purpose of the Research.

14. Insurance

Each Institution shall effect and maintain adequate insurance policies to cover any liability arising from its participation in the Research including, but not limited to, those required under any applicable legislation. If requested, an Institution shall provide SMI with a copy of such insurance policies.

15. Publications of Results and Findings

- 15.1 Subject to the provisions of this Clause 15, the Institutions may publish, at any symposia, national, international or regional professional meeting or in any journal, thesis, dissertation, newspaper or otherwise of its own choosing, the findings, methods and results derived from the Research.
- 15.2 The Institutions shall ensure that all publications arising from the Research is made publicly available no later than twelve (12) months after the official date of publication. A copy of the publication shall be deposited in the Institution's open access repository (or any other institutional/subject open access repository), in accordance to the Institution's open access policy.
- 15.3 All publications shall acknowledge the funding support provided by SMI and, where appropriate, the scientific and other contributions of the other Institutions and Research Personnel in accordance with established norms.
- 15.4 The Institution shall submit one (1) copy of all such publications to SMI within one (1) month of publication for record purposes.

16. Intellectual Property Rights

- 16.1 Background Intellectual Property ("BIP") is any existing IP brought by the Institutions and/or Collaborators into the Research. Unless expressly agreed otherwise, this Research shall have no effect on BIP.
- 16.2 All Intellectual Property howsoever arising from the Research ("Research IP") shall, at the first instance, be the property of the Institutions in such proportions as they may determine. This is without prejudice to any agreement that the Institutions may enter into with the Investigators or Research Personnel on ownership and exploitation of Research IP.
- 16.3 Each of the Principal Investigator and Co-Investigators shall use best efforts to identify and disclose to the Host Institution details of all such Research IP. The Host Institution shall provide SMI with copies of all relevant invention, technology and Intellectual Property disclosures that it may receive from the Partner Institution(s), or the Principal Investigator or Co-Investigators, together with all other information relating to the Research IP.
- 16.4 The Institutions shall use best efforts to ensure that Research IP is properly managed and wherever feasible, fully exploited and commercialised. When required to do so by SMI, the Institutions shall attend such meetings as SMI may direct to discuss the potential for exploitation and commercialisation of Research IP.
- 16.5 The Institutions shall keep and maintain a full, comprehensive and updated set of statements, records and accounts documenting the Revenue from the commercialisation and exploitation of the Research IP.
- 16.6 The Institutions shall grant SMI (or any other Government or public sector agencies as it may specify) a non-exclusive, non-transferable, perpetual, irrevocable, worldwide,

royalty-free right and licence to use, modify, reproduce and distribute the Research IP for non-commercial, R&D and/or educational purposes only.

17. Third Party Collaborations

- 17.1 The Institutions may undertake work on the Research in collaboration with a Collaborator subject to this Clause 17. Notwithstanding Clause 2.5, the Institutions may also receive funds or any other means of support from a Collaborator for carrying out the research in accordance with this Clause 17.
- 17.2 The applicable Institutions shall, prior to commencing their collaboration with a Collaborator, enter into a written agreement with such Collaborator which is consistent with the obligations assumed under this Contract setting out, among other things: -
- (a) the role of the Collaborator in the Research;
 - (b) the provision of cash or in-kind contributions by the Collaborator for the Research; and
 - (c) the work to be undertaken by the Collaborator and its scientific contributions.
- 17.3 All agreements with Collaborators must conform with the Collaboration Guidelines specified in Schedule 5. For the avoidance of doubt, Collaborators are not entitled to receive (directly or indirectly) any or any part of the Funds. The Host Institution shall keep SMI informed of the progress on the work under the collaboration through the Yearly Progress Reports and the Final Progress Report.
- 17.4 The Host Institution shall be responsible for providing SMI with copies of the relevant collaboration agreement between the Collaborator and the applicable Institutions including all amendments, modifications or revisions thereto.
- 17.5 The Institutions shall promptly inform SMI if any aspect of the Research is the product of or otherwise relates to results obtained from a previous collaboration and the terms and conditions of any encumbrances on the relevant Research IP which may adversely affect SMI's rights under Clause 16.

18. Ownership and Use of Assets

- 18.1 Subject to this Clause 18, title and ownership of the Assets and Materials will vest in the Institutions in such manner as to be determined amongst themselves. Save as provided in Clauses 18.2, 18.3 and 18.4, the Assets and Materials shall be used only for the Research. All Assets and Materials shall be physically located in Singapore and maintained within the control of the applicable Institutions during the Term.
- 18.2 The Institutions shall permit Approved Third Parties to access and use the Assets at no charge upon prior appointment provided that: (i) such access and use shall be subject to the availability of the Assets and there are no third party licensing terms restricting such use; and (ii) the Institutions shall be entitled to impose charges for the supply of materials, other services and utilities charges connected with the use of the Assets by the Approved Third Parties.

- 18.3 The Institutions may allow its employees to use the Assets for purposes other than the Research provided always that such use shall: (i) be restricted to research and development work within the Institutions; (ii) be allowed only during the times when the Assets are not being used for the Research; and (iii) not impede the Institutions from meeting its obligations and undertakings under this Contract.
- 18.4 Upon the expiry or termination of this Contract or end of the Research and for a period of three (3) years thereon, SMI may require the Institutions to grant access for the use of any of the Assets and Materials by SMI or any party identified by SMI at no charge to SMI.

19. Completion/Extension

- 19.1 Unless earlier terminated in accordance with this Contract or if SMI agrees in writing to an extension of time, this Contract shall end upon the expiry of the Term. Unless otherwise specifically provided in the Letter of Award, or subsequently permitted in writing by SMI, any application for extension of time shall be made to SMI no later than six (6) months before the end of the Term unless there is compelling justification for submission of a late application for extension. For the avoidance of doubt, in the event that any extension of time is given pursuant to this Clause 19.1, all references in this Contract as to its Term shall include the period of time of the extension so given.

20. Termination

- 20.1 SMI may terminate the Funding or this Contract upon the occurrence of any of the following events: -
- (a) any breach of the terms and conditions of this Contract by any Institution or any Research Personnel which is incapable of remedy;
 - (b) failure to remedy any breach of the terms and conditions of this Contract (where such breach is capable of remedy) by any Institution or any Research Personnel within ninety (90) days of written notification of such breach by SMI;
 - (c) breach of ethics by any Institution or Research Personnel in the conduct of the Research including, but not limited to, ethical rules on patient safety;
 - (d) work carried out by the Institutions using the Funding diverges materially from the Approved Proposal;
 - (e) misconduct relating to the Research;
 - (f) any corruption and/or fraud by the Institution and/ or Research Personnel and/ or other staff relating to the Research or Funding;
 - (g) stoppage of work on the Research;
 - (h) cessation of any Investigator's active involvement in the Research;

- (i) appointment of receiver over any of the property or assets of any Institution;
- (j) taking possession by encumbrancer of any of the property or assets of any Institution;
- (k) entry into any voluntary arrangement by any Institution with its creditors;
- (l) liquidation of any Institution;
- (m) ceasing or threatening to cease to carry on business by any Institution; or
- (n) SMI is of the opinion that the continued performance of the Research is not or no longer viable.

The Host Institution shall immediately inform SMI upon its becoming aware of the occurrence of any of the above events.

- 20.2 In the event that this Contract is suspended or terminated pursuant to Clause 20.5, SMI shall meet any further amounts incurred under the Funding for work done under the Research up to the date of suspension or termination which have not been covered by disbursements of Funding already made by SMI. Clause 8 shall apply mutatis mutandis to such claims.
- 20.3 In the event that this Contract is terminated pursuant to Clause 20.1, SMI may, but shall not be obliged to, meet any further amounts incurred under the Funding for work done under the Research up to the date of suspension or termination which have not been covered by disbursements of Funding already made by SMI. The provisions of Clause 8 shall apply mutatis mutandis to such claims. Notwithstanding anything to the contrary, in the event of termination pursuant to Clauses 20.1(c), (e), or (f), the Institutions agree that SMI may require the Institutions to return all or some of the Funds previously disbursed by SMI.
- 20.4 Upon termination of this Contract, the Institutions shall:
- (a) take all necessary actions to minimise further expenditure on the Research; and
 - (b) return to SMI all monies that have not been expended under the Funding.
- 20.5 If any Institution is unable to comply with any term or condition of this Contract by reason of a Force Majeure event beyond the reasonable control of such Institution, all Institutions' obligations hereunder shall be suspended during the time and to the extent that the first Institution is prevented from complying therewith by the Force Majeure event provided that the Host Institution shall have first given written notice to SMI specifying the nature and details of such event and the probable extent of the suspension. The affected Institution shall use its best efforts to minimize and reduce the period of suspension occasioned by the Force Majeure event and to remove or remedy such cause with all reasonable dispatch. SMI may forthwith terminate the award by written notice to the Host Institution if such Force Majeure event continues for more than sixty (60) days. The following events shall be considered "Force Majeure" events, namely, national emergencies, war, embargoes, strikes, lock-outs or other labour disputes, civil disturbances, actions or inactions of government authorities,

earthquakes, fire, lightning, flood or any other catastrophic event in Singapore caused by the forces of nature.

- 20.6 Clauses 3, 9, 10, 12, 14, 15, 16, 18, 20, 21 and 22 shall survive expiration or termination of this Contract howsoever caused. Clause 11 shall survive expiration or termination of this Contract howsoever caused for a period of seven (7) years.

21. Disclaimer of Liability

- 21.1 SMI shall not be liable to the Institutions or any Research Personnel involved in the Research or any other person whatsoever by reason of or arising from the terms and conditions of this Contract or its approval of the Research or the provision of the Funding or the conduct of the Research by, or any breach, act or default of, the Institutions and Research Personnel. Each Institution shall assume all responsibility and liability for: -
- (a) all claims, losses, demands, actions, suits, proceedings, costs, or expenses whatsoever arising, suffered or incurred directly, from or out of any breach, act or default of such Institutions and/or its Research Personnel; and
 - (b) all claims, losses, demands, actions, suits, proceedings, costs, or expenses whatsoever arising out of or in connection with any claim that the intellectual property rights of third party have been infringed as a result of the carrying out of the Research by such Institution and/or its Research Personnel.
- 21.2 SMI shall have no liability to the Institutions or the Research Personnel merely by reason of its provision of the Funding and the Institutions shall be responsible for all acts and conduct relating to the Research, including all IP, human and animal ethical issues.
- 21.3 The obligations, responsibilities and liabilities of the Institutions referred to in Clauses 21.1 and 21.2 above shall survive the expiration or termination of the Contract howsoever caused.

22. Compliance with Law

The Institutions and Research Personnel shall, in performing this Contract, comply with the provisions of any relevant laws, statutes, regulations, by-laws, rules, guidelines and requirements applicable to it as the same may be amended or varied from time to time.

23. General

- 23.1 The grant of the Funding and this Contract is personal to each Institution. The Institutions shall not assign or otherwise transfer any of their rights or obligations hereunder whether in whole or in part without the prior written consent of SMI.
- 23.2 No partnership or joint venture or other relationship between SMI and the Institutions shall be constituted as a result of this Contract.

- 23.3 Any notice given hereunder shall be in writing and shall be deemed to have been duly given when it has been delivered personally at or posted to the address of the party to which it is required or permitted to be given at such party's address hereinbefore specified or at such other address as such party shall have designated by notice in writing to the party giving such notice.
- 23.4 No failure or delay by a party in exercising any of its rights under these provisions shall be deemed to be a waiver of that right. No waiver by a party of a breach of any provision shall be deemed to be a waiver of any subsequent breach of the same provision unless such waiver so provides by its terms. The rights and remedies provided herein are cumulative and not exclusive of any rights or remedies provided by law.
- 23.5 Singapore law shall govern this Contract in all respects.
- 23.6 The Institutions, Investigators and all Research Personnel shall be bound by and will conform with all Guidelines and Policies relating to the Funding and the Research as may be in force from time to time. The terms and conditions of all Guidelines and Policies are hereby expressly incorporated into this Contract by reference. The terms of the Guidelines and Policies are subject to revision from time to time at the absolute discretion of SMI and it is the duty of each Institution and Investigator to be updated on the terms thereof following SMI's communication of such revisions to the Institutions.
- 23.7 SMI shall be entitled to disclose or otherwise make available to any Co-Funder any information, reports or other subject matter pertaining to the Research that it receives from the Institutions or any Research Personnel.

24. Entire Agreement and Variation

- 24.1 This Contract constitutes the entire agreement between the parties and supersedes all prior communications, negotiations, arrangements and agreements, whether oral or written, between the parties with respect to the subject matter of this Contract.
- 24.2 Save where expressly superseded, if any part of this Contract conflicts with any other part, that part higher in the following list shall take precedence: -
- (a) the Letter of Award;
 - (b) the terms and conditions contained in the clauses of these Terms and Conditions of Grant;
 - (c) the Schedules;
 - (d) Approved Proposal;
 - (e) Guidelines; and
 - (f) Policies.

25. Contracts (Rights of Third Parties) Act (Cap 53B)

Save as expressly stipulated by SMI in this Contract or in any Policy issued hereunder, the parties hereto do not intend that any term of this Contract should be enforceable, by virtue of the Contracts (Rights of Third Parties) Act (Cap 53B) or otherwise, by any person who is not party to this Contract.

Collaboration Guidelines

Each Institution shall abide by the following guidelines when engaging in collaborations with any Collaborator pertaining to the Research.

1. The Institutions may engage in research collaborations involving any part or the whole of the Research with local or overseas Collaborators. Such collaborations, particularly with local Collaborators, are encouraged if the same enhance the Research and the results of the same.
2. The work in connection with the Research performed pursuant to the collaboration with the Collaborators should, to the extent possible, be carried out in Singapore. The Institutions are not permitted to contract out the whole or a substantial part of the Research to Collaborators.
3. Where possible, the Collaborators' staff should be resident in Singapore, or be relocated to Singapore to undertake the research, although it is recognized that this may not always be possible in the case of Collaborators based overseas. In particular, it is understood that where the Research (and consequently, the Funding) relate to a joint grant call with an overseas funding agency or organization, the Collaborators will be based overseas and the Collaborators' scope of work under the Research will be undertaken overseas.
4. The Collaborators are not permitted to receive, directly or indirectly, any part of the Funding, whether in cash or in the form of Assets acquired using the Funding or otherwise. All Assets acquired using the Funding must be located in Singapore and maintained within the control of the Institutions.
5. Collaborators accessing and using Assets acquired using the Funding may only do so pursuant to the terms of the research collaboration agreement that is put in place to govern the collaboration and must do so on terms which are not more favourable than that allowed to any other Singapore based organization (other than the Institutions).
6. The Institutions shall negotiate and agree upon ownership, intellectual property protection, commercialization and revenue sharing rights in respect of the Intellectual Property arising from the Research undertaken in collaboration with the Collaborators in accordance with internationally accepted standards and in the best interests of the Institutions and Singapore. All such rights shall be negotiated, agreed upon and stipulated in a formal research collaboration agreement with each Collaborator, which shall be consistent with each Institution's obligations under this Contract.
7. Minimally, the Institutions shall ensure that the Research IP shall be owned according to inventorship¹ and that all revenues and other consideration derived from the use and commercial exploitation of the Research IP shall be shared between the Institutions and

¹ If the Institutions' staff, students, employees or sub-contractors are the sole inventors/creators of the Intellectual Property, then such Institutions shall own all of such Intellectual Property. If the Intellectual Property is jointly invented/created with the Collaborator's staff, students, employees or sub-contractors then such Intellectual Property may be jointly owned by the Institution concerned and the Collaborator as joint tenants.

the Collaborators in accordance with the overall contributions² of the Institutions and the Collaborators. The Institutions shall not cede complete ownership of the Research IP to the Collaborator where the Collaborator or its staff has no inventive contributions without the prior written consent of SMI- that is to say, in no event shall the Institutions or any one of them give up ownership where the Institutions' staff, employees, students, agents or contractors are inventors or creators of the Research IP in question.

8. The Institutions shall keep SMI informed of its negotiations with the Collaborators and the terms of the agreement and details of the same in a timely fashion.
9. The Institutions must at all times reserve the right to use the Research IP for their own research and development purposes and to make the same available to the local research community at least for non-commercial research and development purposes.

² Contributions shall include inventive contributions, financial contributions as well as in-kind contributions, such as access to and use of background IP, equipment, plant and machinery, facilities, materials and other assets.
